

Diwali Message 2022

Dear friends,

Happy Diwali! Let us together celebrate this Diwali and make it a memorable one. While we illuminate our homes, let us pledge to re-dedicate ourselves to spread the light of truth in the hearts of all those we come in contact with, specially our colleagues and students. Thus filling their lives with happiness and smiles.

Swami Dayanand ji while writing Satyarth Prakash, (The Light of Truth), said: *“The man, who resolves to stick to the truth at all costs, steadily rises in virtues. When his virtues raise his reputation and prestige, he becomes all the more a devotee of truth. This devotion to truth becomes an unerring source of power and greatness.”* So on this day when Swami ji attained Moksh, let us together pledge to make the DAV truly powerful and great.

Let us think of all those less fortunate. Let every DAV Institution, its Principal, staff and students celebrate Deepawali using “Earthen Diyas” so that our less fortunate brothers, the potters may also happily celebrate Diwali with their families. This will also help preserve the environment.

Remember, it is our responsibility to hand over a clean and pure Earth to the next generation, hence, we should keep this day pollution free. Celebrate with all your loved ones, your colleagues, and friends, laugh a lot and spread happiness all around.

Have a great and a happy Diwali.

Punam Suri

President

DAV College Managing Committee

and

Arya Pradeshik Pratinidhi Sabha.
